## INSTRUCTIONS:

1. Print this template
2. Pick two different colors of paper and cut both peices around the outside of the house.
3. Cut the lines for the windows and doors only on one sheet (this will be the outside of your house). You will fold on dotted lines.
4. Glue around edges of house, doors and windows, but don't glue the windows shut!
5. Glue the 2 peices together
6. Draw spooky things inside the house: bats, monsters, ghosts, a severed hand, whatever you want. Boo!
7. Decorate the outside of your haunted house.
8. Display proudly. Happy Halloween!
